- Mixed Recycled Materials

TIPS AND REMINDERS

Safety for your Property & Waste Management driver:

- Maintain clear and safe access to containers
- Make sure containers are in an open or well-lit area
- Overhead clearance must be a minimum of 14 feet

Avoiding Delay of Service:

- Ensure vehicles are not parked in front of or on the sides of containers
- Please have gates or access to containers unlocked for service

Keeping a Clean Area:

- To avoid spillage, container lids and side doors should be closed
- If you have additional volumes of waste, please keep them clear of the service area
- For additional pickups due to high volume, please contact our Customer Service Center at 805-466-3636.
